PROGRAM COSTS

World Cup All-Star Half Limited Travel is an 8-month program. It's perfect for athletes who want the thrill of all-star cheerleading, without the commitment of full season. Practice will begin in September 2021 and continue through the end of April 2022. Limited Travel teams will practice 1 day a week from September thru April. There may be times where additional practices are added prior to a competition. Limited Travel teams are low cost, low travel teams. These teams will attend approximately 3-4 competitions this season. We try to keep costs as low as possible. You may also benefit from participating in the variety of fundraisers offered throughout the year!

EVALUATION INFORMATION

Our evaluations are not stressful! We evaluate in groups and encourage participants to re-do their skills if they are not 100% satisfied with their evaluation. The selection of teams is a very tedious and often complicated process and many key elements are considered in our decisions. We must choose a well-rounded variety of individuals for each team that take into account the team successes but also the proper progression for each individual athlete.

Evaluation/Team Placement Clinic:

**A \$50 registration/insurance fee is due at the
Evaluation/Team Placement Clinic.**

PARENT PROMISE

I promise to cheer for your child as much as I cheer for mine.

I promise to celebrate the achievements of "my child" without comparing them to others.

I will strive to avoid gossip and do my best to speak positively about all athletes.

I promise to do my best to remember that I am not the coach and if I have a question I will ask before I create my own perception.

I promise to set a good example for my athlete. I understand that my athlete's individual success is also related to the team's success and I will do my best to not undermine the "team" because that is the World Cup Way!

I make this promise to teach my child by example because the success of my child's team and my child's gym matters to me!
